*Atlantic High School*  
OAK HALL, VIRGINIA

Atlantic High has an  
open door  
that welcomes me  
as I arrive from the  
environs of Atlantic District,  
a unique, colorful  
area on Virginia's Eastern Shore.

From farm, town and waterfront  
I travel  
passing on my daily jaunt  
quaint landmarks,  
historic shrines and ancient churches.

A glimpse of the past —  
a view of the future  
captivates me —  
I emerge a part of the present  
searching for identity,  
meaning, values and maturity  
in an ever-changing —  
yet un-changing world.

Classroom doors open  
my mind to ideas  
lying dormant in books.  
I learn to create,  
explore, challenge, remember,  
experience, wonder, ponder,  
and sometimes to forget.

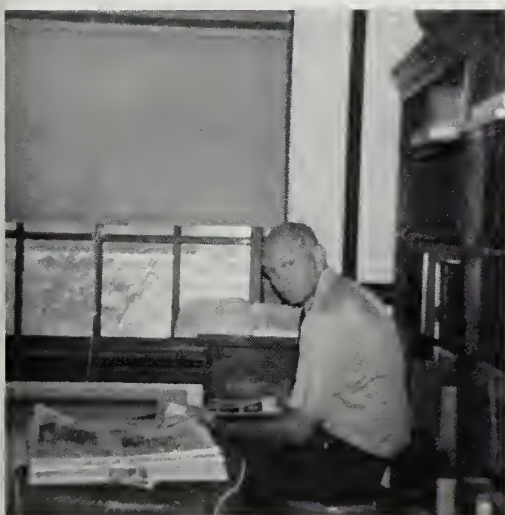

As spectator or participant  
 I enjoy the sports scene —  
 thrills of a close game —  
 joy of winning — regret at losing —  
 development of team and school spirit.  
 I realize —  
 each in his own way contributes.

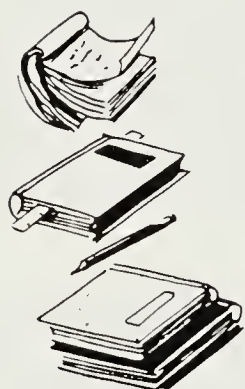

The candid camera catches  
 my many faces and moods  
 surprise — sorrow — happiness —  
 triumph — waiting  
 for a happening  
 — doing my own thing.

The day ends —  
through the doors  
I pass again —  
taking with me  
memories of moments  
at  
Atlantic High.

## Alma Mater

Hail, Oh Hail, Atlantic High School  
 We will sing your praises now.  
 You have ever tried to guide us  
 Into paths of "Knowing How;"  
 How to dwell with other people,  
 How to labor, laugh and play;  
 That, departing from your portals  
 We might truly live each day.

Hail, Oh Hail, Atlantic High School  
 We will always sing your praises.  
 Always try to heed your precepts  
 Through our lives in future days.  
 You our Alma Mater, we will  
 Pledge to glorify;  
 That for years to come  
 We still may hear the cheer  
 "ATLANTIC HIGH."

To the girl who is the most fun to be with of any in the class always keep the original "Wilkinson" charm and a good solid head. Love always Billie

Lynn,

For one of the most fun girls I have ever been out with. Remember all the good times we've had everywhere. You've been just like a sister to me, but sometimes you mean a lot more to me than that.

To Loran,

One of the sweetest, craziest girls I know.  
May you have all you want out  
of life and more. Never forget the  
fun we have had in basket ball  
and The Club. I wish I could say  
soft ball, but luck just didn't come  
my way. I have known you  
for quite awhile and so far, you haven't  
changed. Please don't. Always keep  
that charming smile and loving ways  
and happiness will always be yours  
simply because happiness belongs to  
wonderful people like you. Remember  
me as your <sup>only</sup> Black Soul Sister". (smile)

Always,

Lynn,

What can I say to  
someone like you. Not  
much huh? Really, knowing  
you has put some high-  
light in my life. Your  
friendship means quite  
a lot even if we don't  
see eye to eye on everything!  
Never forget all our good  
times and many crazy  
times under the influence  
I could go on and on  
remembering but it  
doesn't have to be  
said. Remember I  
love and remember  
me always.

Lyons.  
Time may pass but  
true friendship will never.  
I have found you to be a  
wonderful person to be around. And I  
am hoping you continue to be the  
same through out the years. And I  
am sure you'll never have a hard time finding  
me! There is no matter in the right way, you only have to make  
a few steps and the rest of it will come to you.  
Only that a little short white girl who had a tall black  
girl would be such good friends?? I didn't so  
that's why I never contradicted the past. I just  
look forward to a skin comes in many shades.  
But love comes in one, and that's Gold!  
Love always
